2026 CCM Convention

and Gubernatorial Debate

ABOUT THE CONVENTION:

As we celebrate CCM's 60th Anniversary and America's 250th birthday, CCM's 44th Annual Convention will be held at Mohegan Sun on Tuesday (10/27) afternoon through end of day Wednesday October 28, 2026. This will be an event to remember with a televised gubernatorial debate and Hot Topic welcome session both being held on October 27, 2026. The Convention is CCM's premier annual event, bringing together Connecticut municipal personnel of all levels. This event allows attendees to share experiences and discuss current regional, state, and national trends affecting their communities.

Your support through sponsorship of the Convention permits CCM to keep expenses affordable and allows you the greatest exposure with towns and cities. In addition, our range of participation levels provides your organization with flexible opportunities to support important convention events – along with optimum visibility and name recognition for your organization.

All Sponsorship Packages include:

- Reaching more than 1,100 municipal officials and guests at one conference
- Increased visibility of your company - through signage and program book inclusion, as well as recognition during the sit down lunch
- Participation and networking at most conference events
- Opportunities to develop contacts with elected officials and municipal staff
- Targeted Marketing - on CCM's website, through e-blasts, in CT Town & City Magazine
- Prominent Location in the exhibit hall, if booth is part of selected package
