Join us for the second biannual UConn Native Plants & Pollinators Conference! Come for an exciting day of presentations featuring current science-based research and information on supporting pollinators in managed landscapes. This program is designed for growers and other green industry professionals, landscape service providers, landscape architects and designers, town commissions, municipalities, schools, and homeowners. Learn how to utilize native plants to provide the greatest value for pollinators throughout the year!

Register online at s.uconn.edu/pollinators2019

- Early registration $50.00, by Friday August 30, 2019
  - $60.00 after August 30, 2019
